GERMAN INSPIRED, MONTANA MADE.

gute Laune is German. It means good mood, good humor, **good spirit**.

It's the spirit we harness when all our meat purveyors are less than an afternoon's drive away. When your food **never leaves the state of Montana**. It's the spirit of making a food space that's **community-led**. Delivering the very best from the pasture on the horizon to the tray on your table.

Good food. Good beer. gute Laune.
